I would like to inform that I am unable to provide my yearly tax document (SPT) which is needed for visa application, because I do not have it yet, since 2023 SPT will be received in March 2024.

I guarantee that I will return to Indonesia after the end of the trip without seeking for any kind of employment or permanent residency and promise to obey every regulation in your country.

It would be highly appreciated if you could grant me the visa to enter your country.

Yours sincerely,
